

**TIMETABLE OF THE EXAM SESSION**

**Environment Protection Engineering**

**Year 1**

| Date                | Time          | Room | Subject                                            |
|---------------------|---------------|------|----------------------------------------------------|
| 01.09.2025<br>(Mon) | 10:00 - 12:00 | 908  | Applied Climatology                                |
| 02.09.2025<br>(Tue) | 15:00 - 17:00 | 907  | Municipal Solid Waste Treatment Technology         |
| 03.09.2025<br>(Wed) | 11:00 - 13:00 | 639  | Groundwater Protection                             |
| 08.09.2025<br>(Mon) | 13:00 - 15:00 | 907  | Environmental Fluid Mechanics                      |
| 09.09.2025<br>(Tue) | 11:00 - 13:00 | 624  | Computational Methods in Environmental Engineering |
| 12.09.2025<br>(Fri) | 13:00 - 15:00 | 547  | Geostatistics                                      |

**Year 2**

| Date                  | Time          | Room | Subject                          |
|-----------------------|---------------|------|----------------------------------|
| 03.09.2025<br>( Wed ) | 13:00 - 15:00 | 907  | Land Reclamation and Development |
| 04.09.2025<br>( Thu ) | 11:00 - 13:00 | 907  | Environmental Physics            |
